Re: Chairman's Second Quarter Report

The first quarter was a busy one for the NextGen Committee. The following list highlights the activities of the Committee year to date:

- January 28, 2015: The Committee hosted the Winter Conference Dinner in Novi.
- February 24, 2015: The Committee held its first quarter meeting.
- February 27, 2015: Chair attended a meeting hosted by the Michigan Municipal League (MML) regarding attracting students to local government management. Representatives from several universities, the MLGMA NextGen Committee and MLGMA Professional Development Committee were in attendance. The meeting was very successful and identified several strategies to meet the aforementioned goal.
- March 2, 2015: Chair and Vice-Chair distributed 2015 MLGMA Internship List to MLGMA Listserv and Universities. Appreciative and positive feedback was received from the MPA programs.
- March 18, 2015: Nathan Henne, Patti Rayl, Matt Baumgarten, Sehrish Sala-Ud-Din and Michael Selden met to plan the Spring Professional Development Event on Public Relations. The event will be held on May 29, 2015.

For the upcoming second quarter the Committee looks to accomplish the following:

- April 7, 2015: The Committee will hold its second quarter meeting.
- April, 2015: The Committee will assist in conducting interviews for the MLGMA Fellowship Program. This year's applicants will be from Eastern Michigan and Central Michigan Universities.
- May 29, 2015: The Committee will host the Spring Professional Development event on Public Relations at MML Lansing.

I am very pleased with the work of the Committee so far and look forward to attending the Spring Professional Development Event on Public Relations.
