SO WHAT'S NEXT?

FUNDING POLICY PLATFORM

HOW HAVE WE TRADITIONALLY FUNDED PUBLIC PROJECTS?

- Local unit's general fund
 - Largely taxes, fees, revenue sharing
- New taxes or fees
- Bonds
- Tax Increment Financing

WHY DO WE NEED TO THINK CREATIVELY?

- State has cut more than \$6 billion in revenue sharing since 2001
- Local property taxes values hit hard in recession
- Constitutional caps prevent proper growth in property tax revenue
- Requires us to think of new partners. Who's out there?
