Y’all’d’ve

Triple contraction of "You all would have." Colloquial, used mostly in the South and in neighboring regions.

Example: We could’ve met y’all there if y’all’d’ve just waited!

“Hey, Pollyanna! Isn’t this simply pie-in-the-sky?!”

Be kind, for everyone you meet is fighting a hard battle.

What is “Civility”??

Clearly, civility has to mean something more than mere politeness. The movement will have accomplished little if all it does is get people to say, “excuse me please”, while they (figuratively) stab you in the back. Civility also cannot mean “roll over and play dead.”

Exhibit Understanding -
People are difficult because they either have too high or too low an opinion of themselves.

Arrogance and/or insecurity are the enemies of workplace civility.
You don’t see things as they are. You see things as you are.

Final Thoughts

• Don’t wait for someone to be nice to you, and avoid “keeping score”
• Don’t be afraid to put yourself in “Time Out” so you can ‘cool off’ before expressing yourself
• Consider letting some things slide, especially slights that you know to be unintentional
• THE biggest risk: “Culture of Indifference”

You must be the change you want to see in the world.

Inquire
The other person has the floor – be an active listener…
“Let me make sure I understand your position:…”

Respond
Now you have the floor…
“Now that I have a sense of your point of view, let me try to explain where I’m coming from…”
