---

## 5 Key Points

- Michigan program implementation ongoing
  - Michigan Medical Marihuana Act – patient & caregiver registry
  - Medical Marihuana Facilities Licensing Act – board and advisory panel
  - Michigan Regulation and Taxation of Marihuana Act
- Medical administrative rules – effective 11/27/2018
- Statewide monitoring system – METRC
- Opting in or opting out?
- Commercial versus personal use

# Medical Facility Licensing

---

- Prequalification – Entity/Individual
  - Applicant, supplemental applicant(s) and true party of interest
  - Background investigations
  - Board approval
- State Operating License – Facility
  - Plan review
  - Site inspection
  - Local authorization
  - Board approval

# Medical Facility Regulation

---

- Compliance inspections
  - Routine
  - Renewal
  - Change applications
- Complaint investigations
- METRC – statewide monitoring system
  - NCS Data Analytics

# Adult-Use Facilities

---

- Required to accept applications beginning 12/6/2019
- Administrative rules needed
  - Eligibility and operations
  - Social equity
  - Additional licenses and classes
  - May not:
    - Establish a limit on the number of licenses
    - Require customer data collection
    - Prohibit co-location with a facility licensed under the MMFLA
    - Be unreasonably impracticable

# Adult-Use Facilities

---

- Applicant eligibility
  - BMR must issue unless...
  - 24 month restricted period
- Microbusinesses
- Industrial hemp vs. marijuana
- Municipal role
  - Prohibitive ordinance
  - Restrict public signs, time/place/manner
  - Authorize designated consumption areas
  - May collect \$5,000 fee and issue municipal license
