Local Government Management Fellowship

The **Local Government Management Fellowship (LGMF)** is a career-development opportunity designed to attract recent MPA/MPP (or related programs) graduates to be placed in full-time management-track local government positions.

Eligibility Requirements:

To be eligible to participate in the Local Government Management Fellowship, applicants must:

- Be a recent graduate or student enrolled in a public administration, public policy, or related field master's degree program
- Satisfy all of the requirements for their degree program by August 31 of the year of the fellowship
- Have no formal local government management work experience
- Be eligible to work in the United States
- Complete the LGMF application by the closing date (September)
